Mercury Retrograde Press is pleased to announce the forthcoming publication of SHORN, the debut novel of Larissa N. Niec. SHORN is the first volume of *The Sky Seekers*, a planned series of four. A fantasy novel about oppression and resilience, the consequences of vengeance, and the malleable nature of truth, SHORN represents an exciting new voice in fantasy.

In SHORN, the land of Avelos is beset by enemies conspiring to destroy her – and killing winds that confound her wisest seers. But the greatest danger may lie with the Avelune, once the rulers of Avelos and now an abused minority. Their oppression, and the truth suppressed by those who fear them, may prove the country's undoing.

Larissa N. Niec is a clinical child psychologist. She lives in Michigan, where she teaches at Central Michigan University and directs a clinic for young children with emotional and behavioral problems. She has a number of non-fiction publications in the areas of child abuse and child development. SHORN is her first novel.
